Memorandum
25X1A

TO : [REDACTED]

DATE: 8 January 1964

FROM : DAD/S&D

SUBJECT:

Please note that these guys have had one extension of four months on what was originally a four month contract. This makes me extremely suspicious. I also note that additional funds may be required if the completion date extends beyond the first of February. I would like to have a report about Monday, 11 January, indicating how they are going to make it. If the answer from [REDACTED] is not favorable, I would propose calling in the Project Engineer, having him in perhaps on Tuesday, to explain how he is going to make it.
